OCCUPATIONAL SHORTAGE WITHIN OUR INDUSTRY

We have been talking to the Department of Labour and have registered an Occupational Shortage within our industry.

Consequently we have been contacted by an overseas agency regarding Immigration services. In order to look at this issue in more depth we require information from our industry.

Could you please advise the CRA National Office as to whether your company would be interested in employing immigrants for the next upcoming year and please identify which of the following:

- Panelbeating tradespeople
- Car painting tradespeople
- Semi-skilled labour
