IAG CONTRACT REVIEW

The current Contract between CRA members and IAG contains a clause requiring a review of the terms and performance of the contract, after it has been in place for 6 months.

In anticipation of this, CRA National Office has had discussions with IAG and it has been accepted that, even though the contracts are with individual members, CRA will be able to represent all members collectively during the review.

This review can only be done successfully if the National Office receives information from our members on the **good** and the **bad** aspects of how the contract is going in practice.

Can members who currently have contracts with IAG, please advise either the National Office, or Pat Ussher at pat.usscher@xtra.co.nz by 31 December 2004, of any matters that you want addressed, improved or maintained, during the review negotiations.
