IMPORTANT ANNOUNCEMENT

Your Association is delighted to announce it has completed an agreement to secure a shareholding in Nexus Insurance Brokers Limited.

This strategic investment has been undertaken with the following in mind:

- To more actively participate in the industry which is in many ways integral to the collision repair industry
- To secure an additional income stream for the Association
- A financial return on all premiums paid by participating members which is not currently received
- To continue and enhance an existing industry specific insurance package achieving the widest possible cover at the most competitive price

A programme to visit each member will be announced shortly.
