## I-CAR NZ BRONZE RECOGNITION – SRC CRITERIA

At the recent National Executive meeting a recommended change to Structural Repair Centre criteria that, having someone with a current I-CAR NZ Bronze Recognition become mandatory was adopted.

This bulletin is formal notice that the change has been implemented and the following extract is from the minutes:

*“That the requirements for a SRC shop is to have at least one technician/manager/estimator that has a current I-CAR NZ Bronze Recognition or higher. This must be attained before 31 December 2018”.*
