

## Polemonium BLUE DOVE

[www.pga.com.au](http://www.pga.com.au)

*Polemonium pulcherrimum 'Blue Dove'*

Height: 25cm

Spread: 50cm

### FEATURES:

- Ornamental fern-like foliage year round.
- Loose sprays of soft, powder blue coloured flowers appear from early spring through to late autumn.

### SUGGESTED USES:

- Great for containers and small spaces.
- Ideal for mixed perennial borders.
- Colour for low light areas.
- Fast growing for new gardens.

### CULTURAL CARE

Low maintenance and easy to grow. Grows well in most soil types given good drainage but performs best in a moist, fertile soil. Do not allow to dry out over extended periods of heat. No pruning generally required other than to tidy. Apply a slow release fertiliser in spring for optimum results.
