MY GARDEN SOLUTIONS®

FOR

Long flowering display for mixed garden beds - over many months.

Water wise and low maintenance landscapes.

Perfect for large patio containers.

Fast growing and ideal filler plant for cottage/wildflower style gardens.

Attracts birds and other pollinators.

CARE

Dry tolerant. Water when dry for first 6 weeks after planting.

Apply mulch to help retain moisture during warmer months.

Prune by up to half of overall size after main flowering flush to promote dense habit.

Apply a slow release fertiliser during spring.
