

*Frostkiss® Hellebore Angel Glow is a radiant evergreen perennial that brings year-round cheer to the garden. From winter to early spring, its deep pink buds reveal brilliant light pink blooms with glowing lime-green centres. Angel Glow is celebrated for its flowers that float gracefully above the foliage and its impressively long flowering period. Easy to grow and perfectly compact, this stunning performer is a must-have for adding charm and colour to any garden.*

## Features

- Delightful pink buds burst into light pink flowers
- Long flowering
- Vigorous evergreen perennial with a tidy growth habit

## Uses

- Enjoy indoors for up to three weeks\* before planting in your garden
- Bright and cheerful for shady nooks
- Plant under established tree canopies
- Containers or garden beds

## Care

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering.
