

SUNROSE

Helianthemum 'Fire Dragon'

FULL SUN

PART SHADE

FEATURES

Mass displays of sunset coloured flowers from spring into summer.

Forms a soft, spreading dome of grey/green foliage.

Low maintenance and fast growing.

MY GARDEN SOLUTIONS®

FOR

Waterwise landscapes and filling spaces fast.

Great for patio containers or dotted through a mixed garden bed.

Will trail over hanging baskets, retaining walls, rockeries and embankments.

Great effects when planted in small groups as a ground cover.

Attracts many types of pollinators.

Perfect for cottage or wild flower style gardens.

CARE

Dry tolerant - Water when dry for first 6 weeks after planting and in dry weather.

A light, all over trim, after main flowering flush will help maintain a dense, neat habit.

Apply a slow release fertiliser during spring.
