## FEATURES

Stunning long flower display - flushes throughout the warmer months.

Prolific displays of white and red bi-coloured flowers.

Fast growing for quick results.

Low maintenance and easy to grow.

## MY GARDEN SOLUTIONS®

### FOR

Low maintenance and water wise gardens.

Bright colour for entrance ways and entertainment areas over many months.

Perfect for patio containers or dotted through a mixed garden bed.

Ideal for cottage/wildflower style gardens.

Attracts many types of pollinators.

Fast results for new gardens or bare spaces.

### CARE

Dry tolerant. Water when dry for first 6 weeks after planting and regularly in dry weather.

Prune to shape and tidy after a main flowering flush and in late winter to help maintain neat shape and encourage further blooming.

Apply a slow release fertiliser during spring.
