

Campanula poscharskyana
BLUE WATERFALL

20cm

80cm

FULL SUN

PART SHADE

FEATURES

Prolific display of star-shaped, blue flowers from late spring through to winter.

Low growing with spreading habit - forms a neat, attractive mat of foliage.

Flowers in low light situations.

MY GARDEN SOLUTIONS®

FOR

Long flowering for colour in entrance ways and entertainment areas.

Perfect for patio containers and hanging baskets.

Trailing habit ideal for spilling over walls, embankments and rockeries.

Mass plant as attractive ground cover.

Perfect for cottage or wild flower style gardens.

CARE

Water when dry for first 6 weeks after planting and in dry weather.

No pruning generally required. Can trim lightly after flowering to tidy if needed.

Apply a slow release fertiliser during spring.

Do not allow to dry out during extended periods of heat. Applying mulch will help to conserve moisture during warmer months.
