Hebe

PINK CANDY

80cm 80cm

FULL SUN

PART SHADE

FEATURES

Flowers from summer into autumn.

Attractive dark coloured, glossy foliage year round.

Pollinator friendly plant.

Fast and easy to grow.

MY GARDEN SOLUTIONS®

FOR

Lasting structure in low maintenance landscapes.

Fast results for establishing new gardens.

Responds well to clipping for formal shapes or low hedging.

Can be grown in large containers.

Suitable for coastal regions.

Perfect for small gardens or spaces.

CARE

Water when dry for first 6 weeks after planting and in dry weather.

A light trim after flowering maintains neat habit. More regular trims required for hedging - avoid times of extended heat.

Apply a slow release fertiliser during spring.
