

Centradenia floribunda
CASCADE PINK

60cm 1m

PART SHADE

FEATURES

Repeat displays of pink flowers from late spring through to autumn.

Foliage forms a dense mat with a trailing habit.

Flowers in low light situations.

MY GARDEN SOLUTIONS®

FOR

Colour in low light entrance ways and entertainment areas.

Low, spreading foliage ideal for ground cover in larger spaces.

Trailing habit ideal for spilling over walls, embankments and rockeries.

Mass plant as attractive ground cover.

Can be grown in patio containers or hanging baskets.

CARE

Water when dry for first 6 weeks after planting and in dry weather.

No pruning generally required.

Can trim back after flowering to shape or contain size if required.

Apply a slow release fertiliser during spring.

Protect from any strong afternoon sun.

If frost is expected move containers undercover. Any frost damaged can be removed and plant will recover.
