

EXPLOSION® Coral

Lampranthus

40cm

80cm

FULL SUN

FEATURES

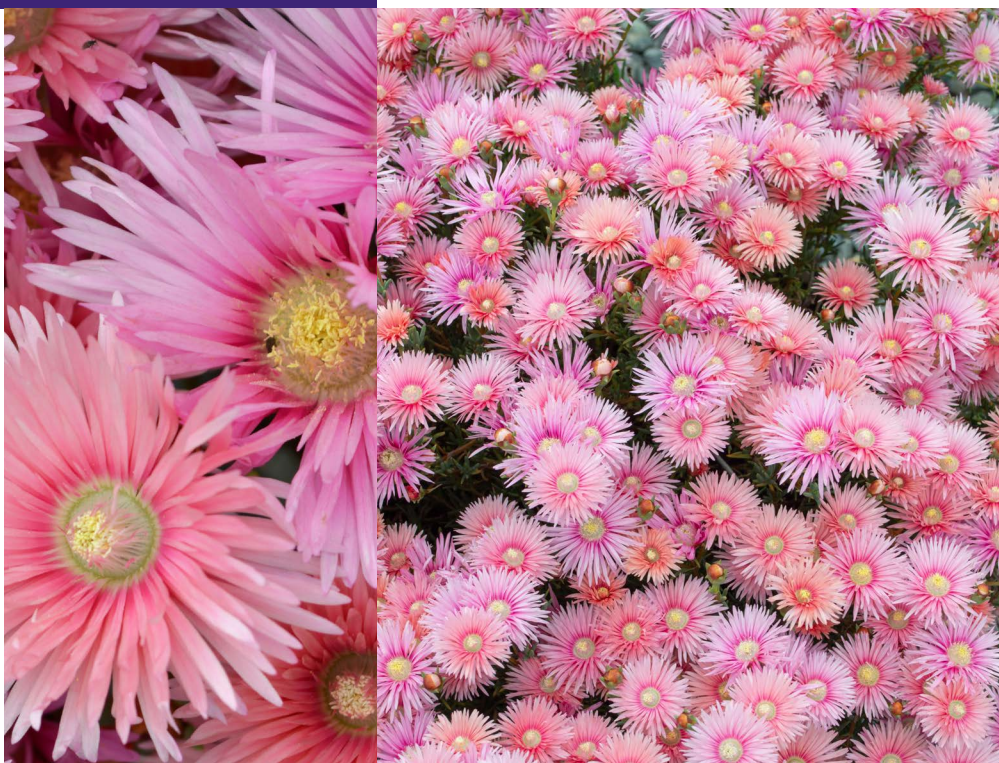

Long display - late spring through summer.

Attractive succulent foliage with low spreading habit.

Very hardy and water wise for a range of situations.

Low maintenance and easy to grow.

Pollinator friendly plant.

MY GARDEN SOLUTIONS®

FOR

Bright displays in water wise plantings.

Perfect for gardens or patio containers.

Mass plant for low maintenance ground cover.

Fast growing and low maintenance.

Ideal for cottage or wildflower style gardens.

Plant in groups for high impact displays.

CARE

Water when dry for first 6 weeks after planting and in dry weather.

No pruning generally required although a light trim after main flowering will help maintain a dense and neat habit.

Apply slow release fertiliser in spring.
