

Escallonia laevis 'Gold Ellen'

 Height: 1.5m
 Spread: 2.5m

FEATURES:

- Dramatic golden coloured foliage for year round colour in landscapes.
- Musk pink flowers over summer months.
- An easy to grow and hardy shrub for both hedging and general garden use.
- Pollinator friendly.

SUGGESTED USES:

- Ideal for low hedging.
- Fast results for new gardens or spaces.
- Dynamic backdrop colour in mixed borders.
- Suitable for coastal regions.
- General use in water wise gardens.

CULTURAL CARE

Dry and frost tolerant once established. Grows well in most soil types which are well draining.

Apply a slow release fertiliser during early spring for best results. Prune lightly after flowering to encourage a dense habit. If used for hedging, more regular trims will be required to maintain shape.
