Prunella grandiflora BELLA PINK

Height: 40cm
Spreading ground cover

FEATURES:

- A vigorous evergreen ground cover for low light areas.
- Long flowering - over summer and autumn.
- Can be grown in containers for shady areas.
- Attracts pollinators.
- Fast and easy to grow.

SUGGESTED USES:

- Mass plant as easy care ground cover.
- Use as soft edging for pathways or paved areas.
- Fast results for new gardens.
- Small or narrow spaces.
- Mixed containers.

CULTURAL CARE

Grows well in most soil types which are well draining. Apply a slow release fertiliser during the spring and again in late summer.

Pruning is generally not required although removing spent blooms will encourage further flushes and a tidier habit.
