

*Pratia angulata treadwelii*

## SNOW ANGEL

10cm

to 1m

FULL SUN

PART SHADE

### FEATURES

Ornamental, mat forming ground cover.

Dainty white flowers from late spring to autumn.

Easy to grow and low maintenance.

### MY GARDEN SOLUTIONS®

#### FOR

Ground cover or filler in mixed garden beds.

Perfect in garden, containers or hanging baskets.

Fast and easy to grow in low light areas.

Ideal for filling small or narrow spaces.

Will trail over rocks, walls and slopes.

#### CARE

Water when dry for first 6 weeks after planting and regularly during dry weather.

No pruning is required.

Apply a slow release fertiliser during spring.

Protect from strong afternoon sun.
