FULL SUN

PART SHADE

FEATURES

Stunning long flower display - flushes throughout the warmer months.

Prolific displays of sky blue coloured flowers.

Compact and water wise.

Fast results with no fuss.

Bred in Australia

MY GARDEN SOLUTIONS®

FOR

Low maintenance and water wise gardens.

Bright colour for entrance ways and entertainment areas over many months.

Perfect for patio containers or dotted through a mixed garden bed.

Ideal for cottage/wildflower style gardens.

Attracts many types of pollinators.

Fast results for new gardens or bare spaces.

CARE

Dry tolerant. Water when dry for first 6 weeks after planting and regularly in dry weather.

Prune to shape and tidy after a main flowering flush and in late winter to help maintain neat shape and encourage further blooming.

Apply a slow release fertiliser during spring.
