

Incarvillea arguta

PINK TRUMPET

FULL SUN

PART SHADE

FEATURES

Large flowers from spring into summer.

Attractive foliage forms a low mound.

Easy to grow and low maintenance.

MY GARDEN SOLUTIONS®

FOR

Colour in low light areas.

Perfect for garden or patio containers.

Mass plant for low maintenance areas.

Will trail lightly over rocks, walls and slopes.

CARE

Water when dry for first 6 weeks after planting and regularly during dry weather.

No pruning generally required. Light trim after flowering to shape if desired.

Apply a slow release fertiliser during spring.

Protect from strong afternoon sun.

In colder regions may become herbaceous with new, fresh foliage appearing in spring.
