

THE BABY PINK PRINCESS

LAVENDER

Soft pastel-coloured flowers are versatile for beautiful spring and early summer flower combinations, making Lavinova® 'The Baby Pink Princess' Lavender a handy and attractive plant for many garden situations. The elegant combination of baby pink flower spikes and bracts with sweet-scented grey-green foliage makes this an ideal selection for formal gardens, pot displays and landscapes.

FEATURES

- Masses of baby-pink flowers covering the whole plant
- Repeat flowering after spring flush
- Neat and compact grey-green foliage
- Easy and long-lasting flower show

USES

- A fine plant for containers and feature planting
- Spectacular flower colour show for borders and path edges
- Water wise and sunny gardens
- High impact low informal hedges
- Rockeries and coastal gardens

CARE

Low to medium water requirements. Tolerates dry spells but will appreciate a soak during extended dry periods. Remove spent flower heads to encourage further displays. Fertilise in late winter for optimum results
