MY GARDEN SOLUTIONS®

FOR

Bright colour for entrance ways and entertainment areas.

Perfect for patio containers or dotted through a mixed garden bed.

Great effects when mass planted.

CARE

Water when dry for first 6 weeks after planting and regularly in dry weather.

Prune to shape and tidy after main flowering. Remove spent flower stems to encourage further flushes.

Staking will provide extra support for larger plants.

Apply a slow release fertiliser during spring.

If frost is expected:

- move patio containers undercover.
- remove any frost damage and plant will recover.
