

Frostkiss® Hellebore 'Rhythm' presents lovely dusky rose-coloured blooms with a lovely soft speckle to the flower face. Flowers appear in winter and into early spring, providing long-term colour. Frostkiss® 'Rhythm' features strong marbled leaves in shades of dark and light green, adding contrast and interest to the garden no matter the season. Thriving in partial shade, Frostkiss® 'Rhythm' is ideal for brightening up shady corners or underneath deciduous or larger trees.

## Features

- Dusky rose flowers with soft speckled faces
- Long flowering – winter to early spring
- Vigorous evergreen perennial with a tidy growth habit
- Masses of upright blooms that sit above the foliage
- Marbled foliage

## Uses

- Enjoy indoors for up to three weeks\* before planting in your garden
- Bright and cheerful for shady nooks
- Plant under established tree canopies
- Containers or garden beds

## Care

Plant in any soil that is well draining. Tidy after flowering by removing old flower heads. If growing in containers or full sun, care should be taken not to allow to dry out completely. For best results, feed in late autumn and spring with a slow release fertiliser before and after flowering.
