# RAH Radiation Oncology Referrals

The Royal Adelaide Hospital Radiation Oncology Department has a team of highly experienced and specialised staff. Our Radiology service offers a full range of diagnostic and interventional services for inpatients, outpatients and emergency referrals, using state-of-the-art equipment.

We accept GP and specialist referrals to this service. All referrals are triaged by the service according to clinical urgency. To refer your patient, complete and send your referral to Outpatients by fax to (08) 7074 6105.

To ensure appropriate and timely triage referrals should include:

- relevant clinical history for the patient
- reason for referral
- patient details including address, date of birth and contact phone numbers
- your provider number
- name of the consultant.
