

# PARENTAL CONSENT FOR PLAYING UP

Players should only play up an age level when their physical capacity and social sense enables them to compete adequately at the higher age level and should be based on the advantage to be gained by the player, not just to make up numbers.

Players can play up one age group (e.g. eligible to play under 9 but wants to play under 10) without written consent.

If a player wishes to play up more than one age group (e.g. eligible to play under 9 but wants to play under 11) this form is required to be completed and returned to SANFL Juniors.
