

HELP BUILD THE FORT

As you read this today and look at the images above, you are aware that the construction of our new facility is well and truly underway.

After not having a place to call home for a long period, we can now see the rise of the Wolf Blass Community Centre as we Re-Build the Fort. Wolf Blass has committed One million dollars to this exciting development, as well as the Coopers Family Foundation who have been amazingly generous.

Now it is the Winemakers commitment as we present the Norwood Family Winemakers Dozen.
