Vasco da Gama

Previously respected and very popular on the international cruise market, Vasco da Gama has a rich heritage and maritime pedigree. The Vasco da Gama has ten passenger decks serviced by eight lifts, is stabilized and air-conditioned throughout and underwent a multi-million dollar refurbishment in 2015.

The impressive three-decked atrium is the focal point of the ship offering a shopping galleria, Reception, Shore Excursions desk and photo gallery. Elsewhere, you'll find a cinema, casino, Trumps & Aces bridge and card room, arts and crafts area, meeting room and ship's library. Plus, there's Cappuccino's coffee shop and Gelato's ice cream bar to tempt you.

Shore Excursions

Vasco da Gama's shore excursions have been designed to help guests make the most of their time ashore at each port of call on their cruise. Visiting new destinations around the world is always an exciting prospect and at each port we have a variety of excursions designed to appeal to all tastes and budgets. Shore excursions will be available to book 8 weeks prior to the departure.

Lounges

At Hollywood's, the two-tiered show lounge, you may enjoy 'big show' entertainment from our talented singers and dancers or one of our special guest acts. With its panoramic seascapes, The Dome is a delightful venue to relax and watch the world sail by or to chat with fellow passengers, and at night, this is the place to be to dance the night away. By contrast, head to the Blue Room, the perfect venue to enjoy some musical entertainment after another wonderful day ashore or a nightcap before taking that final stroll on deck and retiring to the comfort of your cabin.

Dining Options

Vasco da Gama offers a choice of three main Waterfront Restaurants – Waterfront Classic, Waterfront Mediterranean and Waterfront Eurasia where, unlike our other ships, dining will be flexible and not fixed to specific sittings. You are therefore free to dine where and when you want to (open 17.30 – 20.30). Waterfront Classic will serve our classic menu of international dishes with a twist of British cuisine. Waterfront Eurasia will serve Asian style meals and Waterfront Mediterranean will serve typical cuisine from the Mediterranean. In addition, there are two delightful speciality restaurants – The Grill and Chef's Table (supplements apply) or, as an alternative, enjoy more relaxed buffet style meals at the Club Bistro.

Evening Entertainment

At Cruise & Maritime Voyages, we recognise the importance of offering a very high standard of evening entertainment brought to you by our experienced Cruise Directors and entertainment hosts. With stylish productions, guest acts, cabarets and classical interludes, there's something for everyone on board.

Out On Deck

Vasco da Gama offers extensive deck areas and in keeping with her tradition, starboard and port side promenades with timber style decking. There are two swimming pools with the main top deck pool benefitting from a retractable roof so that you can relax in this stylish setting, whatever the weather. If you're feeling more active, then why not team up for a game of tennis or basketball.

Daytime Activities

During days at sea try one of our activities ranging from a morning quiz to an afternoon dance class or perhaps listen to a speaker or learn a new skill from one of our arts and crafts specialists. The choice is yours!
