Suggested itinerary

South Australians love their food and wine, and so will you on our holiday package, with a choice of the Adelaide Hills, the Barossa or McLaren Vale and finishing with three days to explore Kangaroo Island.

On arrival in Adelaide make your way to your chosen Stamford property, either Stamford Plaza located on North Terrace, Adelaide, just around the corner from Rundle Mall, or Stamford Grand, located on the Esplanade looking out over Glenelg beach.

Spend a day relaxing in one of our famous wine regions, with your choice from three food and wine tours. On the Barossa Food and Wine Experience, you will travel in a small group and have the chance to sample some of the Barossa's finest wines and gourmet food that makes the region so special. Alternatively you may like to join the Barossa and Hahndorf Highlights day tour, which takes in two of the world's great wine regions – The Barossa and the beautiful Adelaide Hills. The last option is travelling with a small group to McLaren Vale where your taste buds will be tempted by both the magnificent produce and fantastic wines available for tastings. All tours include delicious lunches, and are guaranteed to be a great day!

Next, travel by coach and the SeaLink ferry to Kangaroo Island where you will collect your hire car in Penneshaw. Over three days you can take in some of the spectacular coastal scenery and scenic landscapes, plus enjoy the fresh, local produce and Kangaroo Island wines.

Stay at the delightful coastal township of Penneshaw, which is located on the Dudley

Peninsula on the eastern end of Kangaroo Island. Visit Dudley Wines Clifftop Cellar Door to taste their local wines while taking in the great views of the coast and enjoying your included gourmet lunch.

Explore the wonders of the island such as the Seal Bay Conservation Park or Flinders Chase National Park, a sanctuary for native Australian wildlife and location for the iconic Remarkable Rocks and Admirals Arch.

Whilst Kangaroo Island is much celebrated for its wildlife, its food and wine are integral parts of the KI experience. At Bay of Shoals Wines, taste their award winning wines and sample some local produce while enjoying the superb views that overlook the Bay of Shoals and Reeves Point, the site of the first settlement in South Australia. You may also like to try sheep's cheese and yoghurt or organic honey from the island's famous Ligurian Bee. Sample some of Kangaroo Island's freshwater crayfish – the Marron, or savour the famous King George Whiting. There is nothing wild or untamed about the island's food and wines!

At the end of your third day on the island, return your vehicle, and you will be transferred back to Adelaide by ferry and coach, to your overnight accommodation. From here you can return home, or extend your stay and explore South Australia further.
