

Useful Information for Travel to Kangaroo Island.

Welcome to Kangaroo Island, the third largest island off the coast of Australia. It is 155 kilometres long and 55 km wide, covering an area of 4,500 sq km. It takes about 2 hours to drive from Penneshaw to the south-west tip, 1.5 hours to Vivonne Bay and 50 minutes to Kingscote (sometimes it can take up to 1 hour if there are trucks and slower vehicles on the road).

Biosecurity Kangaroo Island

Kangaroo Island's remoteness and isolation has created a special environment and many of Australia's pests and diseases are not found here. There are some items that you cannot bring to Kangaroo Island. Please dispose of any prohibited items before travelling to Kangaroo Island as severe penalties apply. You cannot bring:

- Bees, bee handling equipment and honey products (yes that means no jars of honey!). Kangaroo Island is a sanctuary to the only Ligurian bee population in the world. Help keep this species pure and disease free.
- Potatoes for consumption or planting. Unwashed or dirty potatoes may carry disease, which could devastate the island's seed potato industry. Please leave them behind. Washed or brushed potatoes in new packaging are permitted for consumption only.
- Foxes, rabbits and declared weeds. The introduction of these pests would create an environmental disaster.
- For further information contact Natural Resources Kangaroo Island on 08 8553 4444 or go to www.naturalresources.sa.gov.au/kangarooisland.

Getting there

SeaLink's passenger and vehicle ferries depart from Cape Jervis every day (except Christmas Day). Cape Jervis is 110km from the city of Adelaide. Please allow 2 hours for the drive from Adelaide, or 1 hour and 15 minutes from the Goolwa/Victor Harbor area. Please also allow a 30 minute minimum check-in time prior to sailing in order to board and load your vehicle. The ferry crossing takes 45 minutes. Both Cape Jervis and Penneshaw ferry terminals offer access and family friendly restrooms and a cafe serving light snacks and great coffee. Penneshaw also offers a 'last-stop-shop' for souvenirs and KI produce.

SeaLink ferries are wheelchair and disabled access friendly. An electric wheelchair can be provided to board passengers as necessary. Please enquire.

Rex Airlines fly daily from Adelaide Airport to Kingscote. Visit www.rex.com.au

Food, Beverages and Eating out

If you are self-driving or staying in self-contained accommodation, you can stock up on groceries at the supermarkets located in Penneshaw, Kingscote or Parndana. Visit www.kimap.com.au to discover places to eat and drink. You can build an itinerary of places you want to visit during your stay and also check out exclusive offers, opening times and upcoming events.

Tips On Driving Safety

We urge caution on all Kangaroo Island roads, especially unsealed roads. It is recommended that you travel at no more than 60kph on unsealed roads and slow down on corners and blind spots. In Australia we drive on the left hand side of two-way roads.

Also, please be wary that native animals on Kangaroo Island (as they do in many regional areas of Australia), come out early in the morning (dawn), at sunset (dusk) and during the night and they tend to congregate at the sides of roads. We recommend that you do not drive between the hours of dusk to dawn and if you do, please be cautious.

Getting around Kangaroo Island

Please note there is very limited public transport on the island. You can either bring your own vehicle on the ferry or select from one of the many transport options below (bookings are essential).

SeaLink Shuttle Bus.....	Operates twice a day (AM & PM) between Penneshaw and Kingscote via American River to connect with morning and evening ferry services. Phone 13 13 01.
