Kids Go Free to Kangaroo Island!!!

Save up to \$100 per family when travelling to Kangaroo Island with SeaLink's 'Kids Go Free to Kangaroo Island' deal. The deal offers free return SeaLink ferry travel for up to two kids when travelling with one or two adults and their car. The deal is on sale until 22 September 2018.

Kangaroo Island, Australia's third largest Island, is only a short 45-minute ferry ride from Cape Jervis and with hundreds of kilometres of quiet roads and adventure to discover, it is made for a self-drive family holiday.

Adults and kids alike will love the amazing wildlife, spectacular coastal scenery, beautiful beaches, adventure activities, scenic landscapes and fantastic National Parks.

Raptor Domain is a must see for families. Enjoy the "Birds of Prey" show and meet an array of birds including Jedda, the majestic Wedge Tailed Eagle and Casper the friendly Barn Owl. A quick stop at Clifford's Honey Farm is also essential, not just to see how honey is made but to try their famous Honey ice-cream.

A visit to *Little Sahara!* will guarantee hours of family fun as everyone enjoys the thrills and spills of sandboarding or tobogganing down the massive white sand dunes and see Australian sea lions in their natural environment as they sleep, play and swim on a guided beach tour at Seal Bay Conservation Park.

Experience the magic of swimming with the dolphins on an Island Explorer Tour with KI Marine Adventures and KI Ocean Safaris. From the tour vessel see dolphins in their natural environment and relaxation areas, as pods of bottle nose dolphins swim by. The more adventurous families can grab a wetsuit and snorkel gear and swim with these beautiful mammals.

The kids will love discovering the 'hidden' beach at Stokes Bay and getting up close and personal with kangaroos, wallabies, koalas and other nocturnal wildlife at the Kangaroo Island Wildlife Park.

A holiday to Kangaroo Island is not complete without a visit to Flinders Chase National Park home to nature's wonders, the breathtaking Remarkable Rocks and Admirals Arch.

A range of family accommodation across the island is available, ranging from holiday homes, cabins and caravan parks to motels and hotels with family apartments. Most accommodation
