SeaLink's new Kangaroo Island brochure makes travelling easy!

Visit Australia's third largest island, Kangaroo Island and explore a trove of amazing natural wonders, encounter iconic wildlife, breathtaking coastal scenery and beaches, try local gourmet food and wines and hike the wilderness trail with SeaLink's '*Discover the Best of Kangaroo Island and South Australia 2019/20*' brochure.

The new 63-page brochure features SeaLink's day and overnight Kangaroo Island Coach tours, the two-day/one-night Kangaroo Island Adventure Tour and two and three-day personalised 4x4 Kangaroo Island Odysseys tours.

SeaLink's exciting new Kangaroo Island Wilderness Trail packages appear in the brochure. The trail is a 61km world class walking experience and can be walked in guided small groups or independently. Kangaroo Island Wilderness Trail packages include a two- or three-day small group guided tour or a five-day independent package.

A major focus of the brochure is the ever-popular Kangaroo Island Self-Drive Holidays. Ready-made, self-drive short break packages are available, including ferry and accommodation and themed for food and wine lovers, romantics, adventure seekers and families.

With 24 pages devoted to accommodation options all over Kangaroo Island, SeaLink has made it simple for those wishing to build their own self-drive package. From camping and caravan parks to holiday houses, motels and hotels, there is accommodation to suit all needs.

The various regions of the island are also colour coded making accommodation easy to find on the maps provided throughout the brochure.

SeaLink has combined Kangaroo Island with other favourite South Australian destinations including Adelaide, McLaren Vale, Barossa and cruising on the Murray River, to offer the ultimate self-drive and touring packages.

The brochure also showcases the popular Shirley Tamm's fully escorted and inclusive four-day/three-night Kangaroo Island Experience and six-day/ five-night Ultimate Kangaroo Island.

According to Julie-Anne Briscoe, SeaLink SA's Marketing Manager, "Kangaroo Island is an Australian Icon and with more and more South Australian locals and domestic and international tourists visiting its shores, we are very excited to release our new Kangaroo Island and South Australia holiday and tours brochure."

“The brochure provides you with a range of ways to explore this magnificent island and other beautiful regions of South Australia. It’s all done for you, including accommodation in Adelaide and pick-ups from your hotel. There really is something for everyone.”
