

# DOMINO BASS CLEF Cheat Sheet

Allegro Music Games

Domino Bass Clef is a game to help students learn and reinforce the names of the notes on the lines and spaces of the bass clef.

Music notes are written on five lines called the staff 

Notes can be written on a line (line goes through middle of note) 

Or in a space (in the space between two lines) 

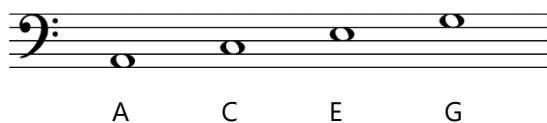

The higher a note is written on the staff, the higher it will sound 

 This is a bass clef. It is used for lower instruments (eg bassoon, cello, left hand of piano) and men's voices

It is written at the beginning of the staff and gives all the lines and spaces letter names

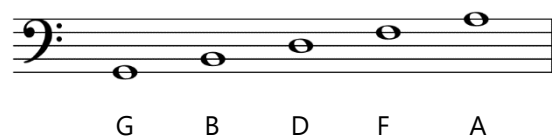

An easy way to remember the names of the spaces is the phrase:

**All Cows Eat Grass**

For the names of the lines in the bass clef:

**Grizzly Bears Don't Fight Aliens**

Domino Bass Clef uses the following notes: *(rules for game in card pack)*
