

Trombone DOMINO FINGERING

Cheat Sheet

Allegro Music Games

Domino Fingering is a game to help students learn and reinforce the connection between the letter name of a note, how the note is written on the music staff and the fingering (slide position) used to play that note. The game focuses on the notes most students learn when they begin the instrument.

Domino Fingering Trombone uses the following notes: *(rules for game in card pack)*

B flat

Slide position 1

C

Slide position 6

D

Slide position 4

E flat

Slide position 3

F

Slide position 1
