Employee Signature		Date	
--------------------	--	------	--

Important Information

Note* The definition of "Days Out Of Use", is the number of days the vehicle is not available for private use. For example, "not available" includes where a vehicle is in a workshop for major repairs for an entire day and is either not dropped off or collected that day. A car left at the airport is still considered to be available for use.

If you have any tax queries you should seek independent tax advice. For any other queries relating to this form, please call Simplygreen Salary Packaging on 1300 664 323.

Please complete, sign and return this form to Simplygreen Salary Packaging NO LATER than 5th April. This form can be returned by fax or email as per the details at the bottom of this page.
