

SOCIAL JUSTICE CAPTAIN

Hi everyone my name is Ewan and I am this year's Social Justice Captain and leader of Mini Vinnies. I am really passionate about social justice issues and I am really excited to help the cause this year. Issues of social justice are something that I think are very important. I have been an active member of the Mini Vinnies for several years now. Some of the causes I want to raise money for include homelessness, asylum seekers and equality. So far this year we have already had a successful Bake Sale which was a hit! we managed to raise \$315.75 towards Caritas Australia, and I am hoping that we can raise much more money for other charities and organisations. I am currently organising the winter warmers this term were we collect canned goods and warm clothes for the homeless.

Thank you for your support.

Ewan Howe, Social Justice Captain
