## Dear Diary...

*(Students were asked to write an entry into their diary about their weekend).*

Dear Diary,  
On Mother's Day morning I woke up and said "Happy Mother's Day!" to my mum.  
Then I gave my mum all the presents that I had made. She was very happy.  
Then my sister came and gave her the presents she had made. Then we gave mum the presents we brought from the Mother's Day stall. She was very, very happy. Then my dad came and we all hugged each other. We were all so happy. **Tahlia (Year One)**
