

## **SAJ Warranty Policy in Australia**

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

### **1.1 Standard Warranty Period**

Guangzhou Sanjing Electric, Co., Ltd (“SAJ”) grants a standard warranty period of 66 months (5.5 years) for the R5 series, Sununo Plus series, Suntrio Plus series, Sunfree hybrid series, AC-coupled inverters, starting from the date of shipment from SAJ factory or 60 months (5 years) starting from the date of purchased invoice marked (whichever is longer).

### **1.2 Extension of Warranty**

The purchaser of SAJ inverters (R5 series, Sununo Plus series, Suntrio Plus series, Sunfree hybrid series and AC-coupled inverters) should extend the warranty period in 18 months from the date of settlement or 30 months from the date of shipment from SAJ by providing the serial number of the unit and purchased receipt (whichever is shorter). You can purchase the warranty extension for 10 years, 15 years, 20 years or 25 years but do not apply the extension beyond the specified date, or else your application will be unacceptable. Please refer to the Warranty Extension Order Form for more details.

Once the purchase of the warranty extension goes into effect, SAJ will send the warranty extension certificate to the customer for confirming the extended warranty period.

### **1.3 Warranty Conditions**

If your inverter gets fault and requires troubleshooting, please contact your distributor or dealer directly. Alternatively, feedback briefly to SAJ for logging and send your scanned warranty card to SAJ Service Team ([service@saj-electric.com](mailto:service@saj-electric.com)) by email to process the warranty claim.

During the Warranty Period, SAJ only covers the costs of materials, delivery (land or sea transportation) and other derived expense, for example custom taxation, when you send defective products to SAJ/SAJ distributor or/and SAJ/SAJ distributor send refurbished products to you for replacing any product or parts of the product proved to be defective in design or manufacture. To claim the warranty under the warranty policy of SAJ, you need to supply us with the following information and documentation regarding the faulty inverter:

- (1) Product Model No. (E.g. R5-3K-S2) and serial number (e.g. R5S2302G1821E00001).
- (2) Copy of the invoice and warranty certificate of the inverter.
- (3) Copy of the installation report and installation date.
- (4) Error message on eSolar Portal (if available) or any information, which would be helpful to determine the defect.
- (5) Detailed information about the entire system (battery, circuits, etc.).

Documentation of previous claims/exchanges (if applicable).

### **1.4 After receiving above information, SAJ will decide how to proceed the service**

- Repaired by SAJ factory or SAJ authorized service center overhaul.
- Repaired on-site by SAJ Service Center.
- Offer a replacement device of equivalent value according to model.

In the case of an exchange, the remaining portion of the original warranty period will be transferred to the replacement device. You will not receive a new certificate, as

---

your entitlement is documented at SAJ. While the original model stop producing or out of stock, SAJ will provide new model type of inverter or an equivalent value product.

If the inverter needs to be replaced following assessment, SAJ will send a replacement unit immediately. The defective inverter should be sent back to the closest SAJ Service Center by packing in its original package if possible. SAJ keeps the right to accomplish the warranty service works via SAJ authorized service partner.

### **1.5 Service after Warranty Expiration**

If the inverters for maintenance are out of warranty, SAJ charges an on-site service fee, parts, labor cost and logistic fee to end-user. Detailed standard refers to the listed table.

<b>Item</b>	<b>Return to Factory for Maintenance</b>	<b>On-site Maintenance</b>
Without parts replacement	Labor + Logistic fee (to & from SAJ)	Labor + On-site attendance fee
With parts replacement	Labor + Parts + logistic fee (to & from SAJ)	Labor + On-site attendance fee + Parts

- On-site attendance fee: Cost of travel and time for the technician in attending on-site.
- Parts: Cost of replacement parts (including any shipping/admin fee that may apply).
- Labor: Labor time fee charged for the technician, who is repairing, maintaining, installing (hardware or software) and debugging the faulty product.
- Logistic fee: Cost of delivery, tariff and other derived expense when defective products are sent from user to SAJ or/and repaired products are sent from SAJ to user.

### **1.6 Exclusion of Liability**

Any defect caused by the following circumstances will not be covered by the manufacturer's warranty (the Dealers or Distributors are responsible and authorized by SAJ for the following investigation):

- 
- ◆ “Warranty Card” not being sent back to Distributor/Dealer or SAJ;
  - ◆ Product modified, parts replaced or attempt to maintain;
  - ◆ Changes, or attempted repairs and erasing of series number or seals by non SAJ technician;
  - ◆ Incorrect installation or commissioning;
  - ◆ Failure in complying with the safety regulations (VDE standards, etc.);
  - ◆ The inverter has been improperly stored and damaged while being stored by the Dealer or the end user;
  - ◆ Transport damage (including scratch caused by movement inside packaging during shipping). A Claim should be made directly to shipping company/insurance Company as soon as the container/package is unloaded and such damage is identified;
  - ◆ Failure in following any / all of the user manual, the installation guide and the maintenance regulations;
  - ◆ Improper use or misuse of the inverter;
  - ◆ Insufficient ventilation of the inverter;
  - ◆ Influence of foreign objects and force majeure (lightning, grid overvoltage, severe weather, fire, etc.)
  - ◆ Any out-of-pocket costs incurred by Installer/Distributor or compensation from electricity production loss are not borne by SAJ in the standard warranty;
- For further information on SAJ warranty regulation and reliability, please visit our website: [www.saj-electric.com](http://www.saj-electric.com).
