

		Solar PV STC Assignment Form			One Stop Warehouse Finance Pty Ltd ABN : 12 609 758 143		
		Retailer Company: ABN:		2 Prospect Place Berrinba QLD 4117 Ph:07 3209 4940 E: stc@onestopwarehouse.com.au			
OWNER DETAILS							
FIRST NAME:		LAST NAME		COMPANY:			
INSTALLATION ADDRESS:			STATE:		POSTCODE:		
CONTACT NO:			EMAIL:				
POSTAL ADDRESS			INSTALLATION DATE:				
SYSTEM DETAILS							
IMPORTANT		Are you installing a COMPLETE unit? (below scenarios are not considered a complete unit: adding capacity to an existing system, replacement of existing panels; install new panels and new inverter without removing the existing panels and inverter.)					
		<i>If NO The system is additional, please specify where the panels and inverter is in relation to the existing system: (eg;additional 8 north facing panels added to the western end of existing 8 panels)</i>					
Panel Brand:		Have you received or been approved for a REBATE or financial assistance (including Solar Credits) for any small generation unit at this address?		NO		Property Type:	
Panel Model:		Have you received Solar Credits (multiplied STCs) for a small generation unit at this premises/address?				Building Type:	
Inverter Brand:		Grid Connected Connected to an electricity grid WITHOUT battery storage		STC Deeming Period:		13 Years	
Inverter Series:		QTY Is there more then one Solar PV installation at this address?		15 years deeming can only be created if panels are installed on or before 31/12/2016.			
Inverter Model:		If YES to above, please describe where this system is installed in comparison to previous Solar PV systems at the address.				Do you have all of the required compliance paper work?	YES
No. of Panels:		Panel (Watt)					
Rated Power Output		KW		Note:			
Number of STCs this system is entitled to:							
CEC INSTALLER SECTION							
Installer:		Full name:		Phone		Address:	
						Accreditation No.	
Designer:		Full name:		Phone		Address:	
						Accreditation No.	
Electrician:		Full name:		Phone		Address:	
						Contract Lic. No.	
MANDATORY WRITTEN STATEMENT BY THE CEC INSTALLER AND DESIGNER							
I (name of the installer)		was the accredited CEC installer that completed the SGU installation at _____ and verify that I have installed the system and that it meets the following requirements;					
The CEC accreditation guidelines, the CEC Accreditation Code of Practice and all codes of conduct, have been followed and inverters approved by the CEC, Followed all of the Office of the Renewable Energy Regulator's Guidelines; Have \$5M in Public Liability Insurance; and the system meets the following Australian Standard, where applicable...							
PV & Inverter Standards		Grid connected system			Standalone systems		
AS/NZS 5033:2005, Installation of photovoltaic (PV) arrays; AS/NZS 1170:2002, Structural design actions, Part 2: Wind actions (PV Array). AS/NZS 5033. PV modules are compliant and the product is listed at www.cleanenergycouncil.org.au. The grid connected inverter used has been tested to Standard AS 4777 and the product is listed at www.cleanenergycouncil.org.au		AS/NZS 3000:2007, Wiring Rules. AS 4777, this installation complies to this standard AS/NZS1768:2007, Lightning Protection. AS 4777—2005, Grid connection of energy systems via inverters			AS/NZS 4509:2009, Standalone Power systems, Part1: Safety & installation. AS 4086.2:1997, Secondary batteries for use with standalone power systems, Part2: installation & maintenance, wind system. AS/NZS 3000:2007, Wiring Rules		
I verify that local, state or Territory government requirements have been met for 1) The siting for the unit 2) The attachment of the unit to the Building or structure 3) The grid connections of the system for the SGU installation. I verify that the SGU is: Grid Connected off Grid Installation and an electrical worker holding an unrestricted license for electrical work issued by the State or Territory authority for the place where the unit was installed undertook all wiring of the unit that involves alternating current of 50 or more volts or direct current of 120. I confirm that the details in the above statement is correct.							
CEC Installer No.:				CEC Designer No.:			
Date:				Date:			
PRINT NAME:		Signature of CEC installer		PRINT NAME		Signature of CEC Designer	
MANDATORY DECLARATION							
I am the legal owner of the above small generation unit (SGU) and assign the right to create STCs to One Stop Warehouse Finance Pty Ltd for the period stated above, commencing at the date of installation. I have not previously assigned or created any STCs for this system with in this period. To claim 15 years deeming for SGU, STCs must be registered within 12 months of installation. I understand I am under no obligation to assign STCs to One Stop Warehouse Finance Pty Ltd. I agree to repay the STC payment to One Stop Warehouse Finance Pty Ltd should my assignment be invalid. I understand that an agent of the Clean Energy Regulator or One Stop Warehouse Finance Pty Ltd may wish to inspect the SGU within the first years of certificate redemption. I must retain receipts and proof of the installation date for the life of the STCs. I am aware that penalties can be applied for providing misleading information in this form under the Renewable Energy (Electricity) Act 2000. I further declare that the accredited CEC installer named on this form physically attended the installation.		Owner Signature		Electrician Signature		Witness Signature
