nature's cleaner

Microfiber Laundry Liquid is a concentrated product specifically formulated to provide excellent cleaning of all types of Microfiber fabrics at low concentrations through the use of highly effective surfactants and enzyme boosters. The product contains no phosphates, is highly biodegradable and is particularly mild to the skin. The product is Blue in colour.

MIXING INSTRUCTION

Microfiber Laundry Liquid Concentrate is supplied in a 750ml Bottle. Remove cap. Insert the 4ml pump into the bottle and Prime three (3) times to fill the pump with liquid.

USE DIRECTIONS

Use in hot or cold water. Add two pumps for all machine sizes.
Do not heat the water above 65°C as it may damage the microfiber.

Washing Machines – Two pumps per load.
Soak Bucket – Two pumps per load.
DO NOT add a Fabric Softener to the wash as it will damage the Microfibers.

DISPOSAL

Dispose of contents/container in accordance with local/regional/national/international regulations.

HAZARDOUS CHEMICAL. NON-DANGEROUS GOODS. According to the WHS Regulations and the ADG Code.

In ready to use form, when diluted with water, at or more than 1:10 ($\leq 100\text{ml/l}$) the diluted product is classified as non-hazardous. Recommended dilution is 1:100.
