Pot Wash

NON-HAZARDOUS

Pot Wash is a hand dishwashing liquid designed to remove grease and protein soils from dishes, crockery and glassware. The product is green in colour.

USE DIRECTIONS

Add one pump of Pot Wash liquid detergent to a sink of warm water.
For extra dirty dishes use 2 pumps.
Immerse items in the liquid, loosen soils with a brush or pad, then rinse items with clean water and allow to drain.

DISPOSAL

Dispose of contents/container in accordance with local/regional/national/international regulations.

CONTAINS

Polyoxyethylene C12C14 acid methyl ester >50%, Sodium C14-16 olefin sulfonate <10%, Cocoamide MEA <10%, Propylene glycol <10%, Methylchloroisothiazoline & methylisothiazolinone <0.1%, Odour masking agent <5%, Lemon Perfume <5%, Green apple powder colour <1%

HAZARDOUS CHEMICAL. NON-DANGEROUS GOODS. According to the WHS Regulations and the ADG Code.

In ready to use form, when diluted with water, at or more than 1:10 (≤100ml/l) the diluted product is classified as non-hazardous. Recommended dilution is 1:100.
