

Dear Friends,

As part of the celebration of the Centenary of St Augustine's Church, you are cordially invited to share in an afternoon of sharing and conserving our oral history.

We are seeking to hear, record and remember St Augustine's experiences from the early days of the church, Sunday School, and early primary school, and those golden years as the church and its community grew together. Perhaps you remember the installation of the pipe organ, or the bell tower, the ANZAC Services, Faires and other community events or the personalities that have led pastoral care in our community.

Please come and be a part of the story-telling, video capture, and written detail so that our records are as complete as possible.

Refreshments will be served, and we look forward an enjoyable afternoon of fellowship and conversation.

We look forward to welcoming you on the day.

Event: Sunday 24th February, from 2.00 - 4.00 pm;
RSVP: Tuesday 19th February, to staugust@bigpond.com or
