Our Heritage Church:

Our Vision

Being a blessing to our wider community, both in terms of educational purposes for local schools and stewardship of the local history, offering hospitality to other interested parties and visitors, and providing a sacred, quiet space for people to pray and be blessed.

The Conservation Covenant

We are looking for expressions of interest in partnering with us to protect and preserve our Heritage Church for generations to come.

Please help us by purchasing a signature brick which will be laid in a special pathway to the little church door and will be a testament to you and your family.

The money raised is purely for maintenance and will be kept securely in a dedicated account, ensuring we never have the need to collect a thanksgiving.

Your donation of \$200 entitles you to have your name engraved into a paver as a lasting record of your valued support. The paver will be permanently installed in a pathway leading to the heritage Church of St Nicholas, Australind proudly showing your donation.

To make the most of this fundraising opportunity we need 100 expressions of interest. Currently, we are a quarter of the way there. Can you help us?

To register an expression of interest, please see Mrs Kerry Hawley or visit the church office.

Would you like to know more about...?

Would you like to know more about baptism, our children's ministry or our vision for St Nicholas?

Just outside the office we have a resource table where you can find a number of helpful publications like our *Pathways to Faith* series that cover a range of topics such as:

*Why Do Anglicans Baptise Infants
Baptism: A Guide for Enquirers*

*Thanksgiving for a Child
Preparing for Confirmation*

Additionally, there are brochures on Godly Play, Alpha and ways to get involved in your local church. You will also find our *Words for Life* booklet (a helpful compilation for anyone who considers themselves a member of St Nicholas Minster) and *4 Ways into Bible Study, 2018*.

For more information about our Children's Ministry, the Heritage Church, Alpha, the Op Shop, Little Lambs Playgroup or any of our small groups, please visit our website.

Partners in Prayer

The itinerary for our Diocesan team's Kapsabet travels is available for viewing on the noticeboard near the urn.

Bishop Ian has asked this information be sent to us so we may follow our colleagues on their journey with our partner Diocese in Kenya. He asks we keep them all in our prayers together with our brothers and sisters in Kapsabet.

Additional copies are available on the entryway table.

Godly Play in a Paragraph.

Godly Play is a Montessori method of telling Bible stories, developed by Jerome Berryman, using parables, sacred stories and liturgical lessons about religious traditions using simple materials. In most religious education children are told what God did. In Godly play children discover who God is.

Our Godly Play team is on break over the summer holidays. Resumes 3rd Feb 2019.
