What's The Next Step?

We are accepting holding deposits of \$5,000 which will hold the apartment of your choice for 2 weeks. This will give you ample time to go through the contract with your solicitor and sort things out with the bank. By the end of the 2 week period you can either proceed or change your mind. If you change your mind the holding deposit will be refunded. To proceed, you will need a 10% deposit (bank guarantee accepted). The \$5,000 deposit will be placed towards the full deposit or refunded on receipt of a bank guarantee
