Free Argumentative Essays: Euthanasia

Euthanasia Euthanasia means mild or easy death for those who can not experience illness or suffering. When people are suffering from diseases and suffering who are not there, therefore, they have the right to accept the lives of others and their own lives. This is what Australia is trying to make. N.T is ready to pass the law to legalize state euthanasia. Currently, other government leaders and members support this and are promoting the euthanasia law in Australia. A group of Christians and anti-euthanasia deal with euthanasia as sin and should not make a physical body.
