Office Hours: 8.30am to 5pm Monday to Friday

Content: this qualification is designed for individuals who need skills to prepare for a vocational pathway qualification or further foundation skills development. It is suitable for individuals who require: a prevocational pathway to employment and vocational training; reading, writing, numeracy, oral communication and learning skills at Australian Core Skills Framework (ACSF) Level 2; entry level digital technology and employability skills; education, training and employment goals.

Job roles: This qualification is not linked to a specific job. It either imparts background skills and knowledge required for entering an industry, or provides a particular focus, for example, competitive practices, that can be applied to jobs across a range of industries and occupations.

Duration: the average completion time is approximately six months, via an Individual Training Plan. This is a self-paced program and the more time allocated to study will determine when the qualification can be achieved. The regular submission of assessment tasks is required.

Delivery modes and how you will learn: available by class attendance or flexible study, you will learn through discussion, problem solving, completing assignments and in preparing for assessment. This involves a range of learning activities throughout, including in-class projects. Following this, you will also prepare and submit written assignments, as well as perform activities to demonstrate your knowledge and skills.

Assessment: students are provided with a full set of workbooks for use throughout the program with clear instructions on the assessments required. You will prepare and submit written assignments and relevant portfolios, as well as demonstrate your knowledge and skills under the conditions prescribed by the unit/s of competency being assessed. An assessment appeal process is detailed in the Student Handbook.

Pre-requisites: there are no pre-requisites or selection criteria for this qualification. If under 18 your enrolment form must be signed by a parent or guardian.

Pathways information: this qualification develops foundational knowledge and skills for use in employment and/or other vocational training. Graduates from this qualification may continue with the FSK20113 Certificate II in Skills for Work and Vocational Pathways or enrol into other vocational qualifications at Certificate II level.

Recognition of Prior Learning (RPL) and Credit Transfer (CT): you may be able to shorten the length of your course by measuring skills acquired through work, life experiences or qualifications obtained from formal studies or training. Accredited qualifications and statements of attainment issued by another registered training organisation are recognised. Please see the Student Handbook for more information.

Student support: if you feel you have special needs in coping with the course, contact the College on 4353 0017.

Induction and attendance: you will receive induction as appropriate to your course. Students enrolled in face-to-face courses are required to attend the scheduled course training days. Refer to the College's Student Handbook for further information.

Foundational skills: this qualification is designed for individuals who require further foundation skills development to prepare for workforce entry or vocational training pathways. Foundation skills are embedded into training and assessment. Foundation skills cover the Australia Core Skills Framework (ACSF) five core skills, plus employability skills.
