Gawler Reconciliation Action Plan Working Group

The Gawler Reconciliation Action Plan (RAP) July 2018 – July 2020, outlines practical actions that Council and its partners are implementing to build strong relationships and enhanced respect with Aboriginal people from across the region. The RAP framework provides an avenue for all members of the community to contribute to the reconciliation process and is based on the three key areas of Relationships, Respect and Opportunities.

The RAP Working Group is responsible for monitoring the implementation of the RAP. Council is seeking active and committed members of the community to join the RAP Working Group to review the current RAP and develop the next version of the document in 2020. The current RAP can be found at www.gawler.sa.gov.au/reconciliation
