Dear David

**Re: Draft Gawler River Floodplain Management Authority Business Plan and Annual Budget**

Please be advised that at the 25 February 2019 Ordinary Council meeting, Adelaide plains Council endorsed the below resolution:-

13.1 Moved Councillor Keen Seconded Councillor Lush 2019/061

*“that, in relation to the 2019-2022 draft Gawler River Floodplain Management Authority Business Plan and Annual Budget, Council reserves its position in supporting this document subject to:-*

- a. The subsidiary firstly undertaking further investigations regarding the application of depreciation accountancy formula, where the depreciation is noted and not necessarily funded, particularly in respect of the Bruce Eastick dam and proposed Northern Floodway; and*
- b. Removal, in totality, of any reference to Adelaide Plains Council having to maintain and/or depreciate the proposed Northern Floodway as it sits within a ‘single Council’ entity.*

**CARRIED**

Should additional information with relation to this matter be required, please contact the Executive Office on (08) 8527 0200.

Yours sincerely

  
James Miller  
Chief Executive Officer
