Gawler Aquatic Centre - 55th Season Ends

The Gawler Aquatic Centre continues to be a popular venue for swimming lessons, carnivals, birthday parties, squad training and recreational activities. With the 55th Aquatic Season drawing to a close, Mayor Karen Redman would like to take this opportunity to thank the community for their continued support of the Gawler Aquatic Centre.

Mayor Karen Redman said “The 2017/18 season has resulted in record Learn to Swim enrolments for a fifth season running. With swimming being an important lifelong skill which can save lives, our qualified, professional and friendly instructors provided students with the best water education combined with enjoyment. The Centre is anticipated to achieve attendances exceeding 60,000 which is the highest on record for the past five seasons”.

It's important the community and facility users are aware of two key dates:

- Monday 9 April – the Learn to Swim program concludes
- Friday 13 April – the 2017/18 Gawler Aquatic Centre season concludes.

Further maintenance and facility upgrades are planned in the offseason. It is anticipated Gawler Aquatic Centre will re-open for its 56th season in October 2018.
