Graffiti Removal Team Receive New Ute

Mayor Karen Redman recently handed over to the Town of Gawler Volunteer Graffiti Removal Team, a new purpose built graffiti removal ute. The Team are thrilled to take possession of the new ute which will operate three days per week, removing graffiti from the Town.

Mayor Redman said “Council’s Graffiti Removal volunteers do a fantastic job in all weather conditions to keep our streets free of graffiti. The pride they continually show benefits all in achieving an almost graffiti free place to live work and enjoy. I’m a strong advocate for the great work the graffiti team do”.

The program has been operating continuously for over 15 years with 9 active members, and this new ute will enable the team to operate much more professionally and efficiently. The ute is fully equipped with ergonomically designed retractable trays to assist the team with manual handling.

The Volunteer Graffiti removal Team operates from the Sport and Community Centre, Nixon Terrace Gawler. Graffiti is usually removed within three working days of being reported or as soon as practically possible.

Mayor Redman also said, “Please keep reporting those graffiti incidents to Council. The community do a great job in informing Council and SAPOL of any new graffiti about the town”.

Please assist the Town of Gawler and SAPOL to reduce this unsightly crime by:

- Reporting all graffiti to SAPOL on 8522 0400, if the act is witnessed ring 131 444.
- If you are able to remove the graffiti please do so as soon as possible.
- For graffiti removal please ring The Town of Gawler on 8522 9211 with as much detail as possible.
