## **Volunteers wanted for the Gawler Civic Centre**

As the Civic Centre redevelopment nears completion, Council is seeking expressions of interest from members of the public who would like to provide professional, personalised and informative guided tours of the completed facility. Tours of the Gawler Civic Centre's State Heritage Listed Institute and Town Hall Buildings, as well as the new Social Enterprise Café and Business Innovation Hub building, are planned to be held every day once the Centre officially opens in early 2019.

"These tours provide the opportunity for everyone in the community to have an 'access all areas' experience, understand what each of the six functional areas within the Centre will be providing and connect with this amazing, revamped community space," said Mayor Redman.

"Tours will be conducted at different times of the day during the official opening celebration week (morning, afternoon and evening) to enable as many people to attend as possible," Mayor Redman continued. "Tour groups will be limited in size so that everyone can hear the guides and have a more personalised experience."

Council will provide all selected Civic Centre volunteers with the training and support that they require to successfully participate in this exciting new volunteer program.

"If being a 'Tour Guide' is not something you are interested in, there are plenty of other volunteering opportunities at the Gawler Civic Centre. The Centre will need enthusiastic Heritage, Library, Youth and Event Program volunteers to be a truly successful community facility," said Mayor Redman.

To register your interest in being a Gawler Civic Centre volunteer – either as a tour guide or within one of the other volunteer programs that the Centre will be delivering - please contact: Sanna Brannan, Coordinator of Volunteering on (08) 8522 9225 or email: [Volunteering@gawler.sa.gov.au](mailto:Volunteering@gawler.sa.gov.au)
