LIGHTNING

- The presence of lightning around an outdoor pool poses a serious safety risk. When lightning is within 10km of the Centre the Swimming Pool the water must be immediately evacuated. The "Flash-to-Bang" measurement of approximately 30 seconds between 'flash' and the 'bang' indicates that lightning is 10km away. Once lightning has moved 10km away or 30 minutes after the last thunderclap patrons may re-enter the water. Please be aware that no monetary refunds will be given to patrons in the event of an evacuation due to lightning.

POOL RULES

The pool rules are in place for the enjoyment and safety of everyone at the Centre. The Watch Around Water Policy must be adhered to at all times. Enjoy yourself and please respect the personal space of others.

SWIM NAPPY POLICY

- All children 3 and under are required to wear swim nappy at all times when they are in the water. This is to ensure patron safety and to maintain the highest possible water quality. Patrons will be asked to display evidence of a swim nappy at the pool entrance or at the start of their swimming lesson. Regular nappies do not qualify as swim nappies as they can swell and break open leaving unwanted gel in the water. Disposable or reusable swim nappies are available for purchase at the kiosk.
