

Town of Gawler Litter Control

A \$315 fine can result from littering offences. A fine of up to \$5,000 applies for illegal rubbish dumping. Anyone found or identified dumping rubbish may face prosecution.

Litter has environmental consequences. Wind and weather, traffic, and animals move litter into gutters, lawns and landscaped areas, alleyways, and parking structures. Litter near storm drains and beach debris are also likely to wash into local waterways, with potential for serious environmental contamination.
